

Oak Harbor Transit

Oak Harbor, Washington

Project Data
Date of Occupancy: 1997
Cost: \$850,000
Size of Project: 7,000 square feet plus parking
Owner Contact: Island Transit - Martha Rose - 360-321-6688

Full architectural services, program planning, site selection, design detailing, and construction administration were provided by Merritt. The bus transfer site provides a Visitor Information Center in the heart of Oak Harbor. This specific project and the site selected have transformed a difficult transition area, due to the proximity to the shoreline.
